LEGISLATIVE SCORECARD 2006

BILLS:

Compassionate Care for Rape Victims
Requires hospitals to provide rape victims with information on and access to emergency contraception to prevent pregnancy after an assault. PPAWI supports this bill. (SB 166 & AB 305)

Responsible Sex Education Amendment
Ensures that sex education is comprehensive and includes information about abstinence and the prevention of unintended pregnancy and STIs through the use of contraceptives, giving teens the information and tools they need to make informed decisions. PPAWI supports this amendment. (SB 286 SA2, SB 286 AA3)

Elimination of Healthy Women Program
Dismantles the successful Medicaid Healthy Women Program which provides basic and preventive reproductive health care and family planning services to 64,000 low-income Wisconsin women. PPAWI opposes this bill. (SB 552)

Patient Abandonment
Endangers women's health by allowing health care providers to deny women vital information and access to health care services, including birth control, infertility treatments, life-saving stem cell therapies, and abortion referrals--even when a woman's life depends on it. PPAWI opposes this bill. (AB 207)

Community Endangerment
Allows concealed and lethal weapons into health care facilities, including Planned Parenthood's family planning clinics, threatening the public's health and endangering patient safety. PPAWI opposes this bill. (SB 403)

Discrimination Amendment
Violates the fundamental right to privacy including personal decisions about marriage and reproductive health, by amending the state Constitution to legalize discrimination and permanently ban civil unions, domestic partnerships and gay marriage. PPAWI opposes this amendment. (SJR 53)

UW Birth Control Ban
Bans the prescribing, dispensing and advertising of hormonal birth control, including birth control pills and emergency contraception, from UW campuses. PPAWI opposes this bill. (AB 343)
